

Conference: Scenarios for sustainable energy development of the Kaliningrad region as an integrated part of the Baltic sea region Kaliningrad 24 – 25 November 2010

PROGRAMME

23 November, Tuesday

Arrival of conference participants to Radisson Hotel, Kaliningrad

24 November, Wednesday – 1st day of the Conference

Venue: Radisson Hotel, pl. Pobedy 10, conference hall "Koenigsberg-3", 2nd floor

9.00-9.30	Registration
9.30-10.00	Official opening of the conference. Welcoming speeches
	<p><i>Moderator:</i> Mr. Arne Grove, Director, Nordic Council of Ministers Information Office in Kaliningrad</p> <p><i>Speakers:</i> Mr. Aleksander S. Rolbinov, Minister of Infrastructure Development, Government of the Kaliningrad Region Mr. Hans Brask, Director, Baltic Development Forum Ms Vivi Yieng Kow, Senior Advisor, BASREC Mr. Arne Grove, Director, Nordic Council of Ministers Information Office in Kaliningrad</p>
10.00-11.30	<p><i>Plenary session 1</i> Perspectives for energy development in the Baltic Sea region</p> <p><i>Description:</i> Deeper integration of the energy markets and the infrastructure development in the Baltic Sea Region could leave all countries/regions better off. This is the main conclusion that has transpired from analyses on future energy perspectives for the Baltic Sea Region. Both the EU countries and Russia have initiated a number of infrastructure projects, and in order to exploit the potential benefits energy cooperation and planning need to be improved. How is it best done and how could the regional energy dialogue be enhanced involving all relevant stakeholders?</p> <p><i>Moderator:</i> Mr. Hans Brask, Director, Baltic Development Forum, Denmark</p>
10.00-10.30	<p>Mr. Anders Kofoed-Wiuff, Consultant, Ea Energy Analysis, Denmark, Presentation of the report on energy perspectives for the Kaliningrad Region <i>General comments by:</i></p>
10.30-10.40	<p>Mr. Joerg Kirsch, Deputy Head of Division, Division of International Energy Policy, Federal Ministry of Economics and Technology, Germany</p>
10.40-10.50	<p>Ms. Ewa Kossak, Senior Energy Efficiency Expert, Energy Department, Ministry of Economy, Poland</p>
10.50-11.00	<p>Mr Per Stokholm, Head of Section, Danish Energy Agency, Ministry for Climate and Energy, Denmark</p>
11.00-11.30	Coffee break and networking. Time for mass media

11.30–13.00	Continuation of Plenary session 1
11.30–11.50	Comments: Mr. Maxim V. Kozlov , Head of Baltic Group Baltic NPP, INTERRAO
11.50–12.00	Mr. Dangiras Mikalayunas , Head of DG “Evropa”, INTERRAO
12.00–12.10	Mr. Yuriy Borisov , Non-profit organization “Market Council”
12.10–12.20	Ms. Vera Grishina , Director, North-West branch of the Agency on balances forecasting, Russian Federation
12.20–12.30	Ms. Valentina Parshina , Head of Unit, Ministry of Infrastructure Development of the Kaliningrad Region
12.30–13.00	Conclusions of moderator
13.00–14.00	Lunch buffet and networking
14.00–16.00	<i>Plenary session 2</i> Business opportunities in modernizing energy production, supply and use <i>Description:</i> Business opportunities on energy efficiency and renewable energy will be explored and energy production, distribution and use will be discussed from a business perspective. The session will also discuss links between business and science as a useful tool in boosting innovation. Furthermore, experiences from foreign partners, including good practice on government incentives to grow innovative cleantech companies will be shared. Finally, preferred actions to accelerate energy business cooperation and integration in the Baltic Sea Region will be discussed. <i>Moderator:</i> Mr. Karel Beckman , Editor-in-chief, European Energy Review, the Netherlands <i>Speakers (time limit on speeches 15 min plus discussions):</i>
14.00–14.30	Mr. Maxim V. Kozlov , Head of Project Group Baltic NPP, INTERRAO, “Baltic NPP – Russian contribution to power sector development in the Baltic sea region”
14.30–14.40	Comments to presentation of Mr. Maxim Kozlov Mr. Golovyashkin Boris Alexandrovich , Head of Department of strategic development of MES - network North-West, Branch of Federal Grid Company of Unified Energy System - MES - North-West, Russian Federation
14.40–15.00	Mr. Ragnar Ottosen , Director, R-energo OOO/Greenfuel AS, Norway, “Energy efficiency and renewable energy in Russia”
15.00–15.20	Mr. Georgiy Dykhanov , General Director of Business Expert Ltd (Kaliningrad), “Energy efficiency projects development in private sector”
15.20–15.40	Mr. Carlos Sandskar , Project Manager, Sustainable Business Hub, Sweden “Renewable energy in district heating systems – the case waste-to-energy”
15.40–16.00	Conclusions of moderator
16.00–16.30	Summary of the first day of the conference by Mr. Hans Brask , Director, Baltic Development Forum
16.30–17.30	Steering Group Meeting on Business Cooperation Project (participation only by invitation)
18.00–19.30	Networking Dinner (participation only by invitation)

25 November, Thursday – 2nd Day of the conference

Venue: Radisson Hotel, pl. Pobedy 10, conference hall “Koenigsberg-3”, 2nd floor

9.00-12.30	Thematic Session: Energy efficiency and renewable energy on the regional and the municipal levels
	<p><i>Moderator: Ms. Vera Grishina, Director of North-West Branch of the Agency on Balances Forecasting, Saint-Petersburg</i></p> <p><i>Description:</i> General issues of energy efficiency and energy efficiency in basic sectors of the Kaliningrad region with regard to the formation of the gross regional product and in the territorial aspect by the principle of the division of the Kaliningrad region into municipalities will be considered at the session, as well as main areas of the implementation of the regional and municipal programmes taking into account the experience of the Nordic countries and its introduction on the territory of the region.</p> <p><i>Speakers:</i></p>
9.00–9.15	<p>Ms. Vera Grishina, Director of North-West Branch of the Agency on Balances Forecasting, Saint-Petersburg “Analysis of energy efficiency in the sectors of economy of the Kaliningrad region and potentials of energy saving”</p>
9.15–9.30	<p>Ms. Valentina Parshina, Head of Unit, Ministry of Infrastructure Development of the Kaliningrad Region, “Main areas of the implementation of the Kaliningrad Regional Energy Efficiency Programme and indicators”</p>
9.30–9.45	<p>Mr. Dmitry Zhukov, Consultant of Unit, Ministry of Infrastructure Development of the Kaliningrad Region, “Potentials of the Renewable energy sources on the territory of the Kaliningrad region”</p>
9.45–10.00	<p>Ms. Kirsten Dyhr-Mikkelsen, Consultant, Ea Energy Analyses, Project BALREPA “Rotating energy planning academy – Support to cooperation on sustainable energy planning in the Baltic Sea Region”</p>
10.00–10.15	<p>Ms. Tatiana Antonova, Specialist of Unit for Utilities, Administration of Gusev municipality, Presentation of energy efficiency programme in Gusev municipality (Kaliningrad Region)</p>
10.15–10.30	<p>Mr. Stefan Windh, Chaiman, Union of Baltic Cities Energy Commission, Mandate of municipalities using an example of project LED Light in Public Space</p>
10.30–10.45	<p>Ms. Ljudmila Ivochkina, Head of unit for complex development, Administration of Gurievsk municipality, Kaliningrad region, Energy efficiency projects in Gurievsk municipality</p>
10.45–11.15	Coffee break and networking
11.15–11.30	<p>Ms. Irina Belyakova, energy manager, Administration of Svetly municipality, Kaliningrad region, Municipal programmes of energy saving and energy efficiency improvement for 2010-2014 and with a perspective to 2020</p>
11.30–12.00	<p>Projects on energy planning, energy efficiency and business cooperation financed by the Nordic Council of Ministers in Kaliningrad Ms. Olga Kovaleva, Project Coordinator, Nordic Council of Ministers Information Office in Kaliningrad Ms. Natalia Khalyuk, Project Coordinator Nordic Council of Ministers Information Office in Kaliningrad Mr. Maxim Mikhaylov, Director of Centre for competences development</p>
12.00–12.30	Discussions and conclusions of moderator
12.30–14.00	Lunch buffet and networking
	Departure of the conference participants
