

# Connecting Europe – Smart and Green Partnerships

14<sup>th</sup> Baltic Development Forum Summit  
European Commission's 3<sup>rd</sup> Annual Forum on the EU Strategy for the Baltic Sea Region  
Copenhagen, 17-19 June 2012

## Become an exhibitor and benefit from the conference exposure!

Networking is an essential part of the Baltic Development Forum Summit and European and European Commission's 3<sup>rd</sup> Annual Forum and therefore is a perfect way to brand and promote your company, organisation or project and demonstrate that you are a Stakeholder in the Baltic Sea Region. The most essential purpose of the Networking Village is to engage all participants in an open dialogue. We create unique opportunities to become noticeable as well as find inspiration and innovative solutions through international partnerships. This year's networking activities will take place in the conference venue, The Royal Academy of Fine Arts, School of Architecture, Design and Conservation that offers a dynamic exhibition area. It will be a vibrant place to showcase your company, organisation or project to an international audience.

Take full advantage of the event and buy an exhibition stand. Expand your opportunities to reach potential partners for current and future projects and thereby shape future decision-making. We offer a platform and opportunity for 45 exhibitors to meet representatives from EU-funded projects, international businesses, national governments at top level, private banks and international financing institutions.

**By joining the Networking Village you will be offered the following benefits:**

- ⇒ Access to all conference activities, plenary and parallel sessions, workshops, seminars, roundtable discussions and interviews
- ⇒ Great chance to meet 100 small and medium sized enterprises through Baltic Business Arena matchmaking event during the conference
- ⇒ Access to the Gala Dinner
- ⇒ A possible presentation of your company or project in a dedicated area
- ⇒ Promotion in conference handbook, newsletters and on the Summit website
- ⇒ Extensive profiling on the banners, screens and in all official material

### Price

€ 2000 for 6 m<sup>2</sup> stand, larger stands can be acquired. Baltic Development Forum will facilitate, equip and organise your stand. You will be provided the contact information to BDF's local subcontractor for professional handling of your stand. For more information and details please contact Deputy Director Jørgen P. T Christensen, Baltic Development Forum, +45 60 21 85 80 or [jc@bdforum.org](mailto:jc@bdforum.org)

**Baltic Development Forum** offers a wide range of **Membership and Strategic Partnership programmes** covering both full year engagement and summit specific engagement. If you wish to know more please contact Director Hans Brask at mail: [hb@bdforum.org](mailto:hb@bdforum.org) or by phone +45 60 21 85 81
